The question wording of the AUTNES CSES questionnaire largely corresponds with the original questions provided by the CSES.
Good morning/ afternoon/ evening, my name is ... from the research institute Jaksch & Partner. On behalf of the University of Vienna we conduct a survey on the recent national parliamentary elections and we would like to interview you. The survey takes approximately 20 minutes. Your participation is of great importance for the success of this study.

Q1. Are you a citizen of Austria?

   yes ................................................................................. 1
   no ................................................................................... 2

   don’t know ................................................................. 88
   refused ................................................................. 99

→ [END INTERVIEW IF Q1 = 2, 88 OR 99]

Q2. [IF Q1 = 1]
   When were you born? Please tell me the year and month of your birth?

   __________________________________________

   don’t know ................................................................. 88
   refused ................................................................. 99

→ [END INTERVIEW IF Q2 <= 30 September 1997]

Q3. What is your gender?

   male............................................................................. 1
   female......................................................................... 2

   don’t know ................................................................. 88
   refused ................................................................. 99
**Q4.** For the following questions, please tell me whether you want more or less public spending in each area. Please remember that more public spending may require a tax rise, while less public spending may require cuts in public spending in each area.

If you think about public spending on [INSERT ITEM]: Should there be much more, somewhat more, about the same, somewhat less or much less spending?

</table>

- ‘Health care’ refers to public spending in the area of health, i.e. health insurance, public hospitals etc.
- ‘Education’ refers to public spending in the area of education, i.e. elementary schools, general secondary schools, universities etc.
- ‘Unemployment benefits’ refers to public spending related to the unemployed, i.e. mostly national insurance and unemployment insurance, but also further job training directed at the unemployed, or the like.
- ‘National defence’ refers to public spending on the military and other programmes that that are directed at national defence: it does NOT refer to foreign aid or other international relations and foreign affairs.
- ‘Pensions’ refers to public spending on old age pensions, NOT on other expenses directed at the elderly.
- ‘Promotion of the economy and industry’ refers to public spending that supports firms and companies, particularly in the form of subsidies.
- ‘Welfare benefits’ refers to public spending on social welfare or social insurance benefits.
Q5. Over the next 10 years, how likely or unlikely is it that you will improve your standard of living? Very likely, somewhat likely, somewhat unlikely, very unlikely?

- very likely: ................................................................. 1
- somewhat likely: ....................................................... 2
- somewhat unlikely: .................................................... 3
- very unlikely: ............................................................. 4
- don’t know: ................................................................. 88
- refused: ................................................................. 99

Q6. What would you say: Over the past 12 months, the state of the economy has gotten better, stayed about the same or has gotten worse?

- got better: ................................................................. 1
- stayed the same: ....................................................... 2
- got worse: ................................................................. 3
- don’t know: ................................................................. 88
- refused: ................................................................. 99

Q7. [IF Q6 = 1]
Would you say: much better or somewhat better?

- much better: ................................................................. 1
- somewhat better: ....................................................... 2
- don’t know: ................................................................. 88
- refused: ................................................................. 99

Q8. [IF Q6 = 3]
Would you say: much worse or somewhat worse?

- much worse: ................................................................. 1
- somewhat worse: ....................................................... 2
- don’t know: ................................................................. 88
- refused: ................................................................. 99
Q9. And if you now think about your region: How would you assess the state of economy in your region compared to other parts of Austria? Has the state of the economy in your region compared to the rest of Austria...

[Region refers to the respondent’s own political district as well as bordering political districts – those districts, in which most people predominately stay.]

got better ........................................................................................................... 1
stayed the same .............................................................................................. 2
got worse .......................................................................................................... 3
don’t know ........................................................................................................ 88
refused ............................................................................................................. 99

Q10. [IF Q9 = 1] What would you say: Much better or somewhat better?

much better ..................................................................................................... 1
somewhat better ............................................................................................. 2
don’t know ...................................................................................................... 88
refused ............................................................................................................ 99

Q11. [IF Q9 = 1] What would you say: Much worse or somewhat worse?

much worse .................................................................................................... 1
somewhat worse ............................................................................................ 2
don’t know ..................................................................................................... 88
refused .......................................................................................................... 99

Q12. And if you now think about your personal situation: Over the past 1 to 2 years, has your personal economic situation gotten better, stayed the same or gotten worse?

got better ........................................................................................................ 1
stayed the same ............................................................................................ 2
got worse ....................................................................................................... 3
don’t know .................................................................................................... 88
refused ......................................................................................................... 99
Q13.  [IF Q12 = 1]
What would you say: Much better or somewhat better?

much better................................................................. 1  
somewhat better.......................................................... 2

don’t know .................................................................... 88  
refused .......................................................................... 99

Q14.  [IF Q12 = 1]
What would you say: Much worse or somewhat worse?

much worse ................................................................. 1  
somewhat worse .......................................................... 2

don’t know .................................................................... 88  
refused .......................................................................... 99

Q15.  I will now read a statement to you.

"The government should take measures to reduce differences in income levels."

Do you strongly agree, somewhat agree, neither agree, nor disagree, somewhat disagree, or strongly disagree with this statement?

strongly agree................................................................. 1  
somewhat agree .......................................................... 2  
neither agree, nor disagree ............................................. 3  
somewhat disagree ....................................................... 4  
strongly disagree .......................................................... 5

don’t know .................................................................... 88  
refused .......................................................................... 99

Q16.  In the national parliamentary election on 29 September 2013, there were many citizens who did not vote or could not vote for good reasons. What was it like for you, which of the following statements applies to you?  
[PLEASE READ OUT]

I did not vote in the national parliamentary election on 29 September 2013 ................................................ 1
I thought about voting, but I did not do it this time ................. 2
I usually vote, but I did not this time .................................. 3
I am sure that I voted on 29 September ............................... 4  
[DO NOT READ OUT] I voted by mail................................. 5

don’t know .................................................................... 88  
refused .......................................................................... 99
Q17. [IF Q16 = 4 OR Q16 = 5] Which party did you vote for in the national parliamentary election on 29 September 2013?

[DO NOT READ OUT, ASSIGN]

SPÖ .......................................................... 1
ÖVP .......................................................... 2
FPÖ .......................................................... 3

Team Stronach .............................................. 9
Pirates ........................................................ 10
other party .................................................. 11
cast invalid ballot ........................................... 12

don’t know ................................................... 88
refused ......................................................... 99
Q20. [ONLY RESPONDENTS WHO WERE BORN BEFORE 07/1992]
The following question refers to the national parliamentary election in September 2008. There were many citizens who did not vote or could not vote for good reasons. The election was held quite some time ago. Which of the following statements best applies to you?

[PLEASE READ OUT]

I surely did not vote in the national parliamentary election in September 2008. ................................................................. 1
I am not sure, but I think that I probably did not vote ............... 2
I am not sure, but I think that I probably voted ...................... 3
I surely voted in the national parliamentary election in September 2008 ................................................................. 4
don’t know ............................................................................. 88
refused .................................................................................... 99

Q21. [ONLY RESPONDENTS WHO WERE BORN BEFORE 07/1992 AND IF Q20 = 3 OR Q20 = 4] Could you please tell me, which party you voted for?

[DO NOT READ OUT, ASSIGN]

SPÖ ......................................................................................... 1
ÖVP ....................................................................................... 2
FPÖ [HC Strache] ................................................................. 3
BZÖ [Jörg Haider] ............................................................... 4
Greens .................................................................................. 5
FRITZ ..................................................................................... 6
KPÖ ....................................................................................... 7
LIF .......................................................................................... 8
other party ........................................................................... 9
invalid vote .......................................................................... 10
did not vote .......................................................................... 11
not eligible to vote ............................................................... 12
don’t know ............................................................................. 88
refused .................................................................................... 99

Q22. Some people say that it make a big difference who is in power. Others say that it does not make a difference who is in power. What about you: If 1 means that it doesn't make any difference who is in power and 5 means that it makes a big difference who is in power], where would you place yourself?

it doesn’t make any difference who is in power ...................... 1
to
it makes a big difference who is in power.............................. 5
don’t know ............................................................................. 88
refused .................................................................................... 99
Q23. Some people say: No matter who one votes for, it doesn’t make any difference to what happens in politics. Others say that who one votes for makes a big difference. If 1 means that who one votes for doesn’t make a difference for politics, and 5 means that who one votes for makes a big difference for politics, where would you place yourself on a scale from 1 to 5?

who people vote for doesn’t make a difference. ................. 1

to

who people vote for makes a big difference. ................. 5

don’t know ..................................................................... 88

refused ........................................................................... 99

Q24. How satisfied or dissatisfied are you overall with the way democracy works in Austria? Very satisfied, fairly satisfied, not very satisfied, or not at all satisfied?

very satisfied .................................................................. 1

fairly satisfied ................................................................ 2

not very satisfied ............................................................ 3

not at all satisfied ............................................................ 4

don’t know ........................................................................ 88

refused ........................................................................... 99

Q25. In general, are you close to a political party?

yes .................................................................................. 1

no ................................................................................... 2

don’t know ........................................................................ 88

refused ........................................................................... 99

Q26. [IF Q25 = 2]

Do you feel yourself a little closer to one of the political parties than the others?

yes .................................................................................. 1

no ................................................................................... 2

don’t know ........................................................................ 88

refused ........................................................................... 99
Q27. [IF Q25 = 1 OR Q26 = 1]
Which party is that?
[DO NOT READ OUT, ASSIGN]

SPÖ.................................................................1
ÖVP...............................................................2
FPÖ..............................................................3
FP Kärnten ....................................................4
BZÖ...............................................................5
Greens..........................................................6
KPÖ..............................................................7
NEOS [also the Liberals, LIF, JULIs]............................8
Team Stronach ................................................9
Pirates ........................................................10
other party .....................................................11
don’t know .....................................................88
refused .........................................................99

Q28. [IF Q27 < 12]
Do you feel very close to this party, somewhat close or not very close?

very close .......................................................1
somewhat close .............................................2
not very close ................................................3
don’t know .....................................................88
refused .........................................................99

Q29. How much do you like the political parties in Austria? Please rate each party on a scale from 0 to 10. 0 means that you do strongly dislike the party and 10 means that you strongly like this party. You can use the values in between to give a more precise answer.
[RANDOMISE ITEMS]

Item 1 What about the SPÖ?
Item 2 What about the ÖVP?
Item 3 What about the FPÖ?
Item 4 What about the BZÖ?
Item 5 What about the Greens?
Item 6 What about Team Stronach?
Item 7 What about the NEOS?

strongly dislike ..............................................0
to
strongly like..................................................10
I don’t know this party .....................................77
don’t know .....................................................88
refused .........................................................99
Q30. In general, what do you think of the following politicians? Please rate each party on a scale from 0 to 10, how much you like each person. 0 means that you strongly dislike them and 10 means that you strongly like them.

[RANDOMISE ITEMS]

Item 1 What about Werner Faymann?
Item 2 What about Michael Spindelegger?
Item 3 What about Heinz-Christian Strache?
Item 4 What about Josef Bucher?
Item 5 What about Eva Glawischnig?
Item 6 What about Frank Stronach?
Item 7 What about Matthias Strolz?

strongly dislike .............................................................. 0
to strongly like .............................................................. 10

I don’t know that person .................................................... 77
don’t know ........................................................................ 88
refused ............................................................................. 99

Q31. In politics people often talk of “left” and “right”. Where would you place the following parties on a scale from 0 to 10, where 0 means “left” and 10 means “right”?

Item 1 Where would you place the SPÖ?
