

**New Zealand
ISSP 2015 – Work Orientations IV
Questionnaire**

Social Attitudes Survey

New Zealand

2015

This questionnaire is designed to be filled out quickly and easily. To answer most of the questions you need only put a tick in the box for the response that represents your opinion. In such cases there are no right or wrong answers. Please simply tick the option that is closest to your view; for most questions you also have an option to indicate that you can't make a choice from among the supplied response options. Finally, if you object to any question, you may simply move on to the next one.

PLEASE MAKE TICK MARKS CLEARLY WITHIN BOXES TO MAKE READING YOUR RESPONSES AS EASY AS POSSIBLE

When you have finished the questionnaire, please place it in the reply-paid envelope provided and post it back to us. No stamp is required.

Many thanks in advance for your help with this research.

Questionnaire
(Web version)

Social Attitudes Survey New Zealand 2015

Welcome

This questionnaire is designed to be filled out quickly and easily. To answer most of the questions you need only click on the box next to the response you choose. In such cases there are no right or wrong answers.

Please simply tick the option that is closest to your view; for most questions you also have an option to indicate that you can't make a choice from among the supplied response options. Finally, if you object to any question, you may simply move on to the next one.

To begin with, we need to confirm your survey ID. As it says in our cover letter, this helps us know who has responded, so that we do not need to send out unnecessary reminders, and so that we can enter our respondents into our prize draws. It will not be used to identify you for any other purpose.

Please enter your survey ID.

You can find your survey ID in the cover letter, just under where you found this web address - as below.

What are we asking you to do? We have enclosed a copy of the questionnaire, a postage-paid envelope for you to return the questionnaire to us, and instructions for completing the survey online instead. The questionnaire will take about 30 minutes to complete. It may contain some questions that you prefer not to answer. If that is the case, you may simply leave them blank.

You also have the option to complete this survey online **instead**. For this, please visit:

<https://www.surveymonkey.com/s/sasnz15>

in your web browser. To begin, you will need to enter your survey identification number as prompted. This is a secure website, to ensure confidentiality; the identification number is only so that we know you have responded, and we do not need to send you any further reminders.

Your survey identification number is:

This is also shown on a barcode on the back of your questionnaire. If you complete and return the paper questionnaire with this intact, you will go into the draw for one of two prizes of a \$100 Prezzy Card. If you fill in the questionnaire online, you will be eligible for two **further** draws for \$100 Prezzy Cards.
