Errata Documentation

- IW_LANG: Respondents from Ireland and the United Kingdom are not assigned to a language group.
- ALLCALLS: Ireland and the United Kingdom not included.
- LENTIM: Construction and scale not documented. France, Finland and Sweden not included.
- REGION: Maximum two categories have been coded for each country. No documentation available. No data for Ireland and United Kingdom. Variable has been dropped.
- NACE_SIC: Specifications for the target groups are listed in the official report.
- Questions to be skipped for certain groups of respondents in accordance with the respective filter instructions are not consistently represented as SYSMIS:
 - Q4/Q4_R: Cases coded '2' (No) or "9" (DK/NA) in Q1_E (filter condition) are partly coded '0' in Q4/Q4_R.
 - Q8/Q8_R: Cases coded '2' (No) or '9' (DK/NA) in Q1_A or coded '0' or '99' in Q6 (filter condition) are partly coded '0' in Q8/Q8_R.
 - Q9/Q9_R: Cases coded '2' (No) or '9' (DK/NA) in Q1_B and Q1_C or coded '0' or '99' in Q6 (filter condition) are partly coded '0' in Q9/Q9_R.
 - Q10/Q10_R: Cases coded '2' (No) or '9' (DK/NA) in Q1_D or coded '0' or '99' in Q6 (filter condition) are partly coded '0' in Q10/Q10_R.
 - Q11/Q11_R: Cases coded '2' (No) or '9' (DK/NA) in Q1_A, Q1_B, Q1C and Q1_D or coded '0' or '99' in Q6 (filter condition) are partly coded '0' in Q11/Q11_R.
 - Q12/Q12_R: Cases coded '2' (No) or '9' (DK/NA) in Q1_A, Q1_B, Q1C and Q1_D (filter condition) are partly coded '0' in Q12/Q12_R.
- Construction of variables A5 and A6 is not documented. Considering variables q1_a to Q1_d (at least one distance sale type mentioned) and Q6 (cross-border experience) not all relevant cases have been coded to '1' in A5 (companies selling at a distance and have cross-border experience) respectively A6 (companies selling at a distance but only on the domestic markets).
