intro  ASK 'Good '+pod+', my name is .....,I'm calling from ICM Research
the independent market research company.
      We are carrying out a survey relating to the European Union and I would be
grateful for your help in
      answering some questions. This survey requires us to talk to a representative
sample of people aged 15 or over throughout
      the country on issues that affect all people. We have selected your telephone
number purely at random and would greatly appreciate your help for a few minutes
to answer some simple questions.@
      IF RESPONDENT SOUNDS LIKE THEY WANT TO REFUSE SAY:@
For the purpose of our research project it is most important that we talk to a
representative cross section of all
      people. Therefore, your views are extremely important to us and the interview
will only take a few minutes of your
      time.@
      IF RESPONDENT STILL SOUNDS LIKE THEY WANT TO REFUSE, SAY:@
If you cannot spare the time at the moment I would really appreciate it if we
could call you back at your own
      convenience over the next ... days. As I say, your own views are very important
to us.'
