How much do you agree or disagree with each of these statements?

A university education is very important for getting a good job.
Getting a full-time job is just as good as getting more education.
An immigrant in Germany needs a university education in order to get a good job.
To get the education I want, I would be willing to move to another part of the country.
I would be willing to study at university even if it means that I have less money to live on for several years.

How much do you agree or disagree with each of these statements?

A university education is very important for getting a good job.

Getting a full-time job is just as good as getting more education.

An immigrant in Germany needs a university education in order to get a good job.

To get the education I want, I would be willing to move to another part of the country.

I would be willing to study at university even if it means that I have less money to live on for several years.
