COMMENT -REVIEW----- When writing code around questionnaire revisions use:

COMMENT -REVIEW----- IF (qvers>=2) {

intro ASK 'Good '+pod+', my name is,I'm calling from ICM Research the independent market research company. We are conducting a research project which requires us to talk to a representative sample of people aged 15 or over, throughout the country about a topical subject.

@We have selected your telephone number purely at random and would greatly appreciate

your help for a few minutes to answer some simple questions.@"

IF RESPONDENT SOUNDS LIKE THEY WANT TO REFUSE SAY:@

For the purpose of our research project it is most important that we talk to a representative cross section of all

people. Therefore, your views are extremely important to us and the interview will only take a few minutes of your

time.@"

IF RESPONDENT STILL SOUNDS LIKE THEY WANT TO REFUSE, SAY:@

If you cannot spare the time at the moment I would really appreciate it if we could call you back at your own

convenience over the next ... days. As I say, your own views are very important to us.'
