INTRO Good %POD%, my name is,I'm calling from ICM Research the independent market research company. We are conducting a research project which requires us to talk to a representative sample of people aged 15-24 throughout the country on issues that affect all people.
We have selected your telephone number purely at random and would greatly appreciate your help for a few minutes to answer some simple questions.

IF RESPONDENT SOUNDS LIKE THEY WANT TO REFUSE SAY:

For the purpose of our research project it is most important that we talk to a representative cross section of all people. Therefore, your views are extremely important to us and the interview will only take a few minutes of your time.
