intro ASK 'Good '+pod+', my name is,I'm calling from ICM Research the independent market research company. We are conducting a research project which requires us to talk to a representative sample of people aged 15 or over throughout the country on issues that affect all people. IF RESPONDENT SOUNDS LIKE THEY WANT TO REFUSE SAY: '@

For the purpose of our research project it is most important that we talk to a representative cross section of all people. Therefore, your views are extremely important to us and the interview will only take a few minutes of your time.'

If you cannot spare the time at the moment I would really appreciate it if we could call you back at your own convenience over the next ... days. As I say, your own views are very important to us.'
