

## **ZA Study 4533**

### **Flash Eurobarometer 185 “EU Attitudes in the UK”**

#### **ARCHIVE INFORMATION / ERRATA**

- D2/D3: Please notice that for several respondents the indicated “AGE WHEN STOPPED FULL-TIME EDUCATION” (D3) is too high for the actual age (D2).
- D3/D4: Some cases coded ‘99’ (refusal) or ‘1’ (never been in full-time education) in D3 are coded as “Students (full time)” in D4. Furthermore several cases indicating an “Age when stopped full time education” in D3 are coded as “students (full-time)” in D4.
- AGE construction has been corrected.
- OCCU construction has been corrected.
