intro ASK 'Good '+pod+', my name is .........,I''m calling from ICM Research the
independent market research company. We are conducting a research project which
requires us to talk to a representative sample of people aged 15 or over
throughout the country on issues that affect all people.  @We have selected your
telephone number purely at random and would greatly appreciate your help for a
few minutes to answer some simple questions.@ IF RESPONDENT SOUNDS LIKE THEY
WANT TO REFUSE SAY:@ For the purpose of our research project it is most
important that we talk to a representative cross section of all people.
Therefore, your views are extremely important to us and the interview will only
take a few minutes of your time.@ IF RESPONDENT STILL SOUNDS LIKE THEY WANT TO
REFUSE, SAY:@ If you cannot spare the time at the moment I would really
appreciate it if we could call you back at your own convenience over the next
... days. As I say, your own views are very important to us.'
