„Television and TV–spectators of Europe“

Errata Documentation

- D3: “Age when stopped full time education” is only available as recoded to 4 respectively 2 categories. Question number does not coincide with the basic questionnaire.
- D3 inconsistency: Some respondents in D3/D3B indicate a value which is too high for their actual age (D2).
- D5 (NUTS-Region): only data for Spain available
- Q11:
 - Q11a (TOP OF MIND): Codes 20 – 52 are not documented
 - Q11b13, q11b14 (OTHERS): “general national channels” or “national channels with continuous news” are not documented (see Q11a)
- Q13:
 - Q13a (TOP OF MIND): Codes 20 – 52 are not documented
 - Q13b13, q13b14 (OTHERS): “general national channels” or “national channels with continuous news” are not documented (see Q13a)
 - INCONSISTENCY: For some respondents who mention a channel in Q13A (Top of mind) the same channel was coded again in Q13B1 to Q13B12.
