You have purchased a car that consumes less fuel, or is more environmentally friendly	1,
You are reducing the use of your car, for example by car-sharing or using your car more efficiently	2,
You have chosen an environmentally friendly way of transportation (by foot, bicycle, public transport)	3,
You are reducing your consumption of energy at home (for example by turning down air conditioning or heating, not leaving appliances on stand-by, buying energy efficient products such as low-energy light bulbs or appliances)	4,
You are reducing your consumption of water at home (for example not leaving water running when washing the dishes, etc)	5,
Where possible you avoid taking short-haul flights	6,
You have switched to an energy supplier or tariff supplying a greater share of energy from renewable sources than your previous one	7,
You are separating most of your waste for recycling	8,
You are reducing the consumption of disposable items (for example plastic bags, certain kind of packaging, etc.)	9,
You buy seasonal and local products to avoid products that come from far away, and thus contribute to CO2 emissions (because of the transport)	10,
You have installed equipment in your own home that generates renewable energy (for example, a wind turbine, solar panels)	11,
