Immigration policies oriented towards skilled workers should be encouraged as a means of fostering economic growth
Migration and immigration

Immigration into Malta should be made more restrictive
Immigrants from outside Europe should be required to accept our culture and values
Society, religion and culture

The legalisation of same sex marriages is a good thing

completely agree  tend to agree  neutral  tend to disagree  completely disagree  no opinion
Society, religion and culture

Religious values and principles should be shown greater respect in politics
The decriminalisation of the personal use of soft drugs is to be welcomed
Society, religion and culture

Euthanasia should be legalised
Finances and taxes

Government spending should be reduced in order to lower taxes
Finances and taxes

The EU should acquire its own tax raising powers
Finances and taxes

Governments should bail out failing banks with public money
Economy and work

Governments should reduce workers' protection regulations in order to fight unemployment
Economy and work

The EU should drastically reduce its subsidies to Europe's farmers
Environment, transport and energy

Renewable sources of energy (e.g. solar or wind energy) should be supported even if this means higher energy costs
Environment, transport and energy

The promotion of public transport should be fostered through green taxes (e.g. road taxing)
Environment, transport and energy

Policies to fight global warming should be encouraged even if it hampers economic growth or employment
Law and order

Restrictions of civil liberties should be accepted in the fight against terrorism
Law and order

Criminals should be punished more severely
On foreign policy issues, such as the relationship with Russia, the EU should speak with one voice.
The European Union should strengthen its security and defence policy
European integration is a good thing
European integration

Malta is much better off in the EU than outside it
European integration

The European Union should be enlarged to include Turkey
European integration

The European Parliament should be given more powers
European integration

Individual member states of the EU should have less veto power
European integration

Any new European Treaty should be subject to approval in a referendum in Malta
Member States should shoulder part of Malta’s illegal immigration burden by accepting to host a substantial percentage of these illegal immigrants.
Country specific

The EU should be more involved in measures aimed at preserving Malta’s countryside

 completamente agree  tend to agree  neutral  tend to disagree  completely disagree  no opinion
You have indicated your views on all 30 statements. Two more questions about your preferences will follow. Your result will be displayed immediately afterwards.
## Importance of issues

You now have the opportunity to indicate how important you consider the different issues. Select the '-' button to indicate that the issue is not that important to you, the '=' button for moderate importance, or the '+' button for great importance.
