**‘Couch Surfing’:
An Ethnography of Transnational Networks,
Solidarity, Trust and Resistance in a Globalized Era**

*Greeting***Hello,**

My name is Josh Shapiro and I am a graduate student in the sociology department at the University of California San Diego. You have been randomly selected to participate in a survey regarding your participation in the CouchSurfing community. This survey is totally optional but I would be eternally grateful and promise you lavish rewards beyond your wildest imagination* if you'd take 10 minutes and fill it out. This survey is completely anonymous and will not identify you personally in any way shape or form and will only be used to collect aggregate data. The findings will be used for my dissertation on CouchSurfing. Once the survey is complete I will post the results on my CS homepage:

<http://www.couchsurfing.org/people/xplore/>. Thank you so much for taking the time out of your busy day to help me with my project.

***My lavish gift is a smile of thanks and appreciation :)**
