[target population: persons eligible to vote at the general election in Austria]

Interviewer ID:  
Address list number:  
Date of the interview (day/month):  
Time of the interview (hour/minute):  

FROM THE ADDRESS DATA:
(1) [random] Split A or B
(2) landline or mobile phone number
(3) phone number from phone book or random
(4) cross-section number (3 cross sections per day, 100 cases each)
(5) list of selected zip (postal) codes

Good morning/afternoon/evening, my name is … from the IPR research institute. We are currently carrying out a survey on the national parliamentary elections on behalf of the University of Vienna and I would like to interview you as well. Do any persons eligible to vote live your household, that is, any person born before the 30th of September 1997 who is an Austrian citizen? [If 1 person] When could I reach this person for an interview? [If 2+ persons] In this case, I need to talk to the person whose birthday will be next. When could I get hold of this person for an interview? The survey takes about 20 minutes. Your participation is important for the success of this survey.

A. [INT: assign, if this is the last contact] number of contact attempts

B. [INT: assign, if this is the last contact] last contact result

Interview completed ................................................................. 1

Q56 Now thinking of the most important people who you often spend time with in private, that is, family and friends. What do you think, will almost all of them, most of them, about half of them, only a few of them or almost none of them vote in the upcoming elections?

- almost all of them............................................................... 1
- most of them........................................................................ 2
- about half............................................................................... 3
- only a few of them................................................................. 4
- almost no one......................................................................... 5
- don’t know ............................................................................ 88
- refused .................................................................................. 99

START SPLIT A

Q57 Now, I'd like to ask you a few questions about the next federal government. Please indicate to what extent you would prefer a coalition between the following parties using a scale from 0 to 10, where 0 means, I do not prefer this coalition at all and 10 means, I very much prefer this coalition.

[Int: If asked, regardless of how likely such a coalition is] [Randomise Items]

Item 1 red-black, that is, SPÖ and ÖVP
Item 2 black-blue, that is, ÖVP and FPÖ
Item 3 red-blue, that is, SPÖ and FPÖ
Item 4 red-black-green, that is, SPÖ, ÖVP and the Greens
Item 5 black-blue and Team Stronach, that is, ÖVP, FPÖ and Team Stronach

- I do not prefer it at all ............................................................. 0
- to
- I very much prefer it............................................................. 10
- don’t know ............................................................................ 88
- refused .................................................................................. 99
And now to the likelihood of coalitions, how likely do you think it is that the following parties will form a coalition after the election? Very likely, fairly likely, fairly unlikely, or very unlikely?

[RANDOMISE ITEMS, SEQUENCE AS IN Q57]

Item 1 red-black, that is, SPÖ and ÖVP
Item 2 black-blue, that is, ÖVP and FPÖ
Item 3 red-blue, that is, SPÖ and FPÖ
Item 4 red-black-green, that is, SPÖ, ÖVP and the Greens
Item 5 black-blue and Team Stronach, that is, ÖVP, FPÖ and Team Stronach

very likely ...............................................................1
fairly likely ...............................................................2
fairly unlikely ............................................................3
very unlikely ............................................................4
don’t know .................................................................88
refused .................................................................99
START SPLIT B

Q59 Now let's turn to specific characteristics of some of the top candidates. Let's begin with competence, that is, whether a politician is knowledgeable about dealing with political issues. Do you consider the following politicians to be very, fairly, a little bit or not at all competent?

[RANDOMISE ITEMS]

Item 1 Werner Faymann
Item 2 Michael Spindelegger
Item 3 Heinz-Christian Strache
Item 4 Josef Bucher
Item 5 Eva Glawischnig
Item 6 Frank Stronach

very competent ................................................................. 1
fairly competent ............................................................ 2
a little bit competent ....................................................... 3
not at all competent .......................................................... 4
don't know ................................................................. 88
refused ................................................................. 99

Q60 Now about honesty, that is, whether a politician is an honest person. Do you consider the following politicians to be very, fairly, a little bit or not at all honest?

[RANDOMISE ITEMS]

Item 1 Werner Faymann
Item 2 Michael Spindelegger
Item 3 Heinz-Christian Strache
Item 4 Josef Bucher
Item 5 Eva Glawischnig
Item 6 Frank Stronach

very honest ................................................................. 1
fairly honest ............................................................ 2
a little bit honest ....................................................... 3
not at all honest .......................................................... 4
don't know ................................................................. 88
refused ................................................................. 99
Q61  And now the candidates’ assertiveness, that is, whether a politician can translate his ideas into policy. Do you think the following politicians are very, fairly, a little bit, or not at all assertive?

[RANDOMISE ITEMS]

Item 1  Werner Faymann  
Item 2  Michael Spindelegger  
Item 3  Heinz-Christian Strache  
Item 4  Josef Bucher  
Item 5  Eva Glawischnig  
Item 6  Frank Stronach

very assertive ......................................................... 1  
fairly assertive ....................................................... 2  
a little bit assertive ............................................... 3  
not at all assertive .................................................... 4  

don’t know ............................................................. 88  
refused ................................................................. 99

END SPLIT B

Q62  Do you think it is very likely, somewhat likely, somewhat unlikely or very unlikely that the following parties will get enough votes to enter the national parliament in the upcoming parliamentary election?

Item 1  BZÖ  
Item 2  Team Stronach

very likely .............................................................. 1  
somewhat likely ...................................................... 2  
somewhat unlikely .................................................. 3  
very unlikely ........................................................... 4  

don’t know ............................................................. 88  
refused ................................................................. 99
Did you watch the most recent ORF debate between [INSERT DEBATE]?

I1  What was the respondent’s command of German language like, using a scale from 0 to 10, where 0 means ‘very bad’ and 10 means ‘very good’?

very bad..........................................................................................0
to
very good.....................................................................................10

I2  Did you feel that the respondent tried to answer the questions as accurately as possible?

very often..........................................................................................1
often .....................................................................................................2
now and then ....................................................................................3
almost never ....................................................................................4
never ......................................................................................................5
Good morning/afternoon/evening, my name is ... of the IPR research institute. You have recently participated in a study on the parliamentary election on 29 September 2013 run by the University of Vienna. We would like to interview you again. This survey is shorter than the previous one and will take about 12 minutes. Your participation is very important for the success of this study.
Q1 On 29 September national election were held. Did you follow the election campaign very closely, fairly closely, not very closely, or not at all closely?

- very closely ................................................................. 1
- fairly closely ..................................................................... 2
- not very closely ............................................................ 3
- not at all closely ............................................................ 4
- don’t know...................................................................... 88
- refused........................................................................... 99

Q2 Which political issue in Austria was most important to you personally in the recent national parliamentary election?

[INT: PLEASE RECORD ONLY ONE ISSUE. IF RESPONDENT NAMES MORE THAN ONE ISSUE, PLEASE ASK FOR THE MOST IMPORTANT ONE AND RECORD THE ONLY THE MOST IMPORTANT ONE]

- don’t know...................................................................... 88
- refused........................................................................... 99

Q3 [IF Q2 ≠ 88 OR 99] In your opinion, which party is best able to handle this issue?

[DO NOT READ OUT]

- SPÖ.................................................................................. 1
- ÖVP.................................................................................. 2
- FPÖ.................................................................................. 3
- FP Kärnten ................................................................. 4
- BZÖ.................................................................................. 5
- The Greens................................................................. 6
- KPÖ.................................................................................. 7
- NEOS (also: Liberals, LIF, Julis)................................. 8

-----------------------THANK YOU VERY MUCH FOR THE INTERVIEW!-----------------------
Good day, my name is … from the IPR research institute. You participated in a pre- and post-election study on the national elections on behalf of the Austrian National Election Study at the University of Vienna in September of 2013. We would like to interview you again now, two years after the election, in order to investigate how and if your attitudes have changed. The interview will take approximately 20 minutes. Your participation is important for the success of this survey.
Q1 Generally speaking, are you very, fairly, a little or not at all interested in politics?

Q30 Let us talk about current political issues again. On a scale from -5 to +5, -5 meaning that the issue is very unimportant to you personally and +5 meaning that the issue is very important to you personally, please indicate how important the following issues are for you. You can use the values in between to give a more precise answer. [ITEM]

Item 1 the stimulation of the economy?
Item 2 the fight against unemployment?
Item 3 immigration policy?

-5 very unimportant.......................................................-5
to
+5 very important..........................................................+5
don’t know ................................................................. 88
refused ........................................................................... 99

Q31 We would now like to know which party has said most about a specific issue: since the last national elections, which party has said most about [ITEM]?

Item 1 the stimulation of the economy
Item 2 reducing unemployment
Item 3 immigration policy

SPÖ ............................................................... 1
ÖVP .......................................................... 2
FPÖ ......................................................... 3
The Greens ................................................... 4
Team Stronach ........................................ 5
NEOS ...................................................... 6
other party .................................................... 7
[SPONTANEOUSLY:] no party/no one ................. 8
don’t know ............................................................... 88
refused ................................................................. 99
Let us now talk about the parties in government: Please indicate on a scale from -5 to +5 how satisfied you are. -5 means that you are completely dissatisfied; +5 that you are completely satisfied. You can use the values in between to give a more precise answer.

Item 1  How satisfied are you with the performance of the SPÖ?
Item 2  And with the performance of the ÖVP?

-5 completely dissatisfied ........................................... -5
to
+5 completely satisfied ........................................... +5
don’t know .......................................................... 88
refused .................................................................... 99

And how satisfied or dissatisfied are you with the performance of the opposition parties in the past two years? Please indicate your answer on the scale from -5 to +5 again.

Item 1  How satisfied are you with the performance of the FPÖ?
Item 2  And with the performance of the Greens?
Item 3  And with the performance of Team Stronach?
Item 4  And with the performance of the NEOS?

-5 completely dissatisfied ........................................... -5
to
+5 completely satisfied ........................................... +5
don’t know .......................................................... 88
refused .................................................................... 99
Q34 Now some questions about the performance of each party in the past two years. Please indicate your answer on the scale from -5 to +5: how satisfied or dissatisfied are you with the performance of this party in the past two years?

Item 1 with the SPÖ regarding the stimulation of the economy
Item 2 with the SPÖ regarding the fight against unemployment
Item 3 with the SPÖ regarding immigration policy
Item 4 with the ÖVP regarding the stimulation of the economy
Item 5 with the ÖVP regarding the fight against unemployment
Item 6 with the ÖVP regarding immigration policy
Item 7 with the FPÖ regarding the stimulation of the economy
Item 8 with the FPÖ regarding the fight against unemployment
Item 9 with the FPÖ regarding immigration policy
Item 10 with the Greens regarding the stimulation of the economy
Item 11 with the Greens regarding the fight against unemployment
Item 12 with the Greens regarding immigration policy
Item 13 with the NEOS regarding the stimulation of the economy
Item 14 with the NEOS regarding the fight against unemployment
Item 15 with the NEOS regarding immigration policy

-5 completely dissatisfied..........................................................-5
to
+5 completely satisfied ............................................................+5
don’t know ................................................................. 88
refused ................................................................. 99
Q35 For the following questions, please tell me whether you want more or less public spending in each area. Please remember that more public spending may require a tax raise, while less public spending may require cuts in public spending in the respective area. If you think about public spending, should there be much more, somewhat more, about the same, somewhat less or much less spending [ITEM]

Item 1 in the health care system
Item 2 in the educational system
Item 3 in environmental protection
Item 4 in national defence

much more than now .......................................................... 1
somewhat more than now ...................................................... 2
about the same as now ........................................................ 3
somewhat less than now ...................................................... 4
much less than now ......................................................... 5
don’t know ........................................................................ 88
refused ........................................................................ 99

Q36 In every society there are some unwritten rules about what one can say in public and what one cannot say. In your opinion, is it widely, fairly, hardly or not at all socially accepted [ITEM]

[INT: NOT HOW MANY PEOPLE THIS APPLIES TO, BUT RATHER WHETHER IT IS CONSIDERED SOCIALLY ACCEPTABLE.]

[RANDOMISE ITEMS]

Item 1 …to vote for the SPÖ?
Item 2 …to vote for the FPÖ?
Item 3 …not to vote in national elections?
Item 4 …to be politically far left?
Item 5 …to be politically far right?

widely accepted ................................................................. 1
fairly accepted ................................................................. 2
hardly accepted .............................................................. 3
not at all accepted .......................................................... 4
don’t know ................................................................. 88
refused ......................................................................... 99
### Q37
What is the highest level of education that you have achieved?

<table>
