

Correction for the party family variable

County	Party	Code in Eurom	Code in CMP	Party Family (Eurom)	Suggestion	Comment
Denmark	Fremskridtspartiet	13951	13951	regional/ethnic parties	special interest parties (CMP)	Coded in CMP with special interest parties. Party codes also indicate “special interest party”
Denmark	Folkebevægelsen Mod EU	13954		regional/ethnic parties	special interest parties (ParlGov)	Coded in ParlGov with special interest parties. Party codes also indicate “special interest party”
Denmark	JuniBevægelsen	13955		regional/ethnic parties	special interest parties (ParlGov)	Coded in 1994 and 1999 with “regional/ethnic parties”, but in 2004 and 2009 with “special interest parties ”.
France	Mouvement Démocrate pour l'Europe	31950	31624	special interest parties	conservatives (CMP)	Coded in CMP for 2008 and 2013 with 6. (When in EP they were part of ELDR)
Portugal	Partido Popular (until 1995: partido do Centro Democrático Social)	35314	35520	social democrats	Christian democrats (CMP)	Obvious mistake they were always part of the EPP
Germany	Christlich Demokratische Union	41521_89		conservatives	Christian democrats (CMP)	Only in the year 1989 the CDU was coded as 6. This is probably wrong.
Austria	Freiheitliche Partei Österreichs	42420	42420	liberal	nationalist (CMP)	I would go with CMP they were never part of ALDE
UK	United Kingdom Independence Party	51951	51951	regional/ethnic parties	special interest parties (CMP)	Party codes also indicate “special interest party”
Bulgaria	Balgarska Socialisticheska Partija	80220	80220	(post-) communist	social democrats (CMP)	This is one of the successor parties. I would go with the CMP code since in the EP they were in the PES group
Czech Republic	Občanská demokratická strana	82413	82413	liberal	conservatives (CMP)	I would go for the CMP coding they were either in EPP or ECR group
Estonia	Sotsiaaldemokraatlik Erakond	83410	83410	liberal	social democrats (CMP)	In both years party was part of the PES so I would go with CMP
Hungary	Magyar Szocialista Párt	86220	86220	(post-) communist	social democrats (CMP)	This is one of the successor parties. I would go with the CMP code since in the EP they were in the PES group

Latvia	Jaunais laiks	87431	87423	liberal	conservatives (CMP)	I would go with CMP while in the EP they were part of EPP group
Lithuania	Darbo Partija	88322	88440	social democrats	liberal (CMP)	Would go with the CMP they were part of ELDR when in the EPP
Poland	Koalicja Sojuszu Lewicy Demokratycznej i Unii Pracy	92210	92210	(post-) communist	social democrats (CMP)	This is one of the successor parties. I would go with the CMP code since in the EP they were in the PES group
	Prawo i Sprawiedliwość	92436	92436	liberal	conservatives (CMP)	I would go with CMP they were in the "European Conservatives and Reformist Group
Romania	Alianța Politică Partidul Social Democrat + Partidul Conservator	93601	93002	conservatives	main party is social democrats	Clear mistake it should be 3 was in the PES group
	Uniunea Democrată Maghiară din România	93951_09	93951	special interest parties	regional/ethnic parties (CMP)	This is the Hungarian party in Slovakia so should it be Special interest (95) or 9 (ethnic-regional)?
Slovakia	Strana Demokratickej L'avice	96220	96220	(post-) communist	social democrats (CMP)	This is one of the successor parties. I would go with the CMP code since in the EP they were in the PES group
	Strana Smer - Tretia Cesta	96423	96423	liberal	social democrats (CMP)	I would go with the CMP code since in the EP they were in the PES group
	Strana maďarskej koalície - Magyar Koalíció Pártja	96955	96952	special interest parties	regional/ethnic parties (CMP)	This is the Hungarian party in Slovakia so should it be Special interest (95) or 9 (ethnic-regional)?

Version changes from the version MZES data version 1.6.2005

Date	Variable	Description
