D.29 We also need some information about the income of this household to be able to analyse the survey results for different types of households. Here is a list of income groups. **(SHOW INCOME CARD D29)** Please count the total wages and salaries per month of all members of this household; all pensions and social insurance benefits; child allowances and any other income like rents, etc ... Of course, your answer as all other replies in this interview will be treated confidentially and referring back to you or your household will be impossible. Please give me the letter of the income group your household falls into before tax and other deductions.
