B. CULTURAL HERITAGE

(READ OUT) Now, let's talk about another topic.

(READ OUT) Cultural heritage is a term used to identify a range of resources that are protected, conserved or revived because they are considered worthy of passing on to future generations. Cultural heritage can mean concrete things, like monuments, archaeological sites, works of art, films, books or documents conserved and managed by museums, libraries and archives; it can also mean intangible things, like skills, rituals, music and festive events. Today, cultural heritage can also be digital, like digital art or digital reproductions of cultural heritage. Europe's cultural heritage refers to the cultural heritage from Europe and from the countries that belong to it, taken either individually or collectively.

QB1: CODE 4 AND 5 ARE EXCLUSIVE

QB1 Nearby where you live, are there monuments, works of art, heritage sites, traditional events or festivals that are related to Europe's culture and history?

(READ OUT - MULTIPLE ANSWERS POSSIBLE)
