MEASURES TO FURTHER IMPROVE THE EFFECTIVENESS OF THE FIGHT AGAINST ILLEGAL CONTENT ONLINE

We are going to ask you some questions about illegal content on the Internet. Illegal content ranges from counterfeit goods and pirated videos or music, to images of crimes such as child sexual abuse material or terrorism propaganda, or illegal hate speech.

Throughout the questionnaire, we will refer to internet hosting services which host third-party content, such as social media, video sharing platforms, blogs hosting, cloud storage services, etc.

ASK ALL
