ARCHIVE INFORMATION AND ERRATA

- RESPID: Respondent ID numbers are not unique (non-identical cases).
- YEAR: All interviews which are conducted on January 28th (crosstab by DAY) were erroneously coded as conducted in 2006. According to official reports and fieldwork information all respondents have been interviewed in January 2007. Corrected by the archive accordingly.
- D2A/D3: Please notice that for several respondents the indicated "AGE WHEN STOPPED FULL-TIME EDUCATION" is too high for the actual age.
- D3/D4: Several cases that refuse to answer (coded '99') or declare that they never have been in full-time education (coded '1') in D3, at the same time indicate that they are "Students (full time)" in D4. Furthermore, several respondents with an "Age when stopped full time education" in D3 declare that they are full-time students in D4.
