Q3A

Q.3 Why does the Single European Market give you reason to feel hopeful?
Is it because?

- 1- it will be possible to work anywhere in the European Community
- 2- prices and the cost of living will decrease
- 3- trade and commerce will be easier
- 4- it might be able to better withstand competition from the USA and Japan
- 5- there will be more opportunities for companies
- 6- there will be more jobs and less unemployment
- 7- prices and taxes will be the same in all member states

- 8- major problems will be better solved by working together
- 9- it will revive and improve the economy
- 10- it will mean less social inequality
- 11- it will mean a wider choice of products to buy
- 12- the rights and duties of employees and employers of different member states of the European Community will be better guaranteed
- 13- it will allow the citizens of different member states of the European Community to know and understand each other better
- 14- it will guarantee peace within the European Community
