Question no. and text	P37a ¿Cuáles son los estudios de <u>más alto nivel</u> que Vd. ha cursado (con independencia de que los haya terminado o no)? Por favor, especifique lo más posible, diciéndome el <u>curso</u> en que estaba cuando los terminó (o los interrumpió), y también el nombre que tenían, entonces, esos estudios: (ej., 3 años de Estudios Primarios, Primaria, 5º de Bachillerato, Maestría Industrial, Preuniversitario, 4º de EGB, Licenciatura, Doctorado, FP1, etc.)	Q37a Which are the <u>highest level</u> studies that you have done (whether you have finished them or not)? Please specify as much as possible, telling me the level (year) you were in, when you finished (or interrupted them), and also the name those studies had then (if different): (example: 3 years of Primary, Primary, first year of Junior High, Vocational Qualification, last year of High School, 4rth year of former Primary Education, College degree, PhD, first level of Vocational training, etc)
Codes/ Categories	CURSO_____ NOMBRE_____ NIVEL_____	SCHOOL YEAR_____ NAME of STUDIES_____ DEGREE_____
Interviewer Instruction	*(ENTREVISTADOR: Si aún está estudiando, anotar el último curso que haya <u>completado</u>. Si <u>no</u> ha completado la Primaria, anotar <u>nº de años</u> que asistió a la escuela.)*	*(INTERVIEWER: If still studying, write down the last school year that he/she has <u>finished</u>. If he/she has <u>not</u> finished Primary, write down the <u>n. of years</u> that he/she went to school.)*
Translation Note		
Note	The interviewer must write down the last year <u>completed</u> in school by respondent and the name of the studies. Later on, <u>coders will fill in the degree</u> that corresponds to that study level, according to the information recorded by the interviewer during the interview. Coders use the list of 11 studies codes shown in E_DEGREE. TWO VARIABLES INTERVENE IN THE CONSTRUCTION OF "DEGREE": Q37 and Q37a (includes E_DEGREE) The amount of examples given for the name of Spanish studies may seem too many, but, in Spain, it is necessary, due to the very frequent change in study plans in the last 25 years.
