INTRODUCTION: Magandang umaga/hapon/ gabi po. Ako po ay si _____ na taga-Social Weather Stations. Gumagawa po kami ng pag-aaral tungkol sa pang-araw-araw na pamumuhay ng mga tao at ang kanilang mga opinyon sa mga isyu na nakaka-apekto sa mga Pilipino. Ang inyong pagsali sa pag-aaral na ito ay boluntaryo. Lahat po ng inyong ibabahagi sa akin ay lubos na kompidensiyal. Ang ibig sabihin po nito ay wala po kayong anumang sagot na maiuugnay sa inyong pangalan. Nais lang po naming aralin kung ano ang nararamdaman ng mga tao sa iba't ibang bagay. Nais ko rin pong linawin na wala pong tama o maling sagot. Mayroon po ba kayong katanungan tungkol sa pag-aaral na ito? Maaari na po ba tayong mag-umpisa?

Good morning/ afternoon/ evening. I am _____ from Social Weather Stations. We are conducting a study of peoples' day-to-day living and their opinion on issues affecting Filipinos. Your participation in this study is completely voluntary. All information you share with me is completely confidential. This means that there will be no way any information or answers you give me can be associated with your name. We are just trying to learn how people feel about various things. I also want to make it clear that there are no right or wrong answers. Do you have any question regarding the survey? Can we now start the interview?
