30	***Questions 18-20 - "preference" refers to the religion that a person favors or identifies with. If a person was born a member of one religion, but then preferred or identified with	

	<p>another religion, this question asks about the latter. "Religions" refers to major faiths or organized theological systems as opposed to "denominations" which are sub-divisions within a religion. What is important is that these questions distinguish all relevant faiths, religions, denominations, sects, etc. that exist in each country.</p>
